

Student Engagement

A. Personal & physical barriers

1. Lack of interest
2. Feeling overwhelmed
3. Feeling of „it doesn't make a difference”
4. Others (e.g. study, work, time)

B. Knowledge & communication barriers

1. Not knowing where to start
2. Too much technical language
3. Sustainability feels abstract or unclear
4. Poor visibility of initiatives

C. Structural & practical barriers

1. Lack of time
2. Activities don't fit schedule
3. No incentives or rewards

D. Study programs

1. Do finance/economic/business students feel excluded?
2. Do non-sustainable related fields have any/enough sustainable related courses?
3. Are links to careers & skills missing?
